To People's Republic of China Authorities,

I hereby respectfully submit a formal request for political asylum to the competent authorities of the People's Republic of China, together with supporting documents attached to this application.

I report that my human rights, as well as the human rights of my family members, are being seriously and systematically violated in Brazil. I allege that these violations are connected to an aerospace infrastructure associated with the North Atlantic Treaty Organization (NATO), composed of military satellites purportedly equipped with directed energy weapons (DEW), specifically high-power microwave systems (HPM / MASER).

I further state that I have been subjected to daily torture for more than five years. I report the presence of multiple wounds, scars, and burn-like injuries across my body. In addition, I allege that I am being subjected to a form of microwave-based neuromodulation, which has resulted in severe neurological effects, including memory loss, repetitive thought patterns, recurrent nightmares, and other cognitive and neurological impairments consistent, in my account, with prolonged exposure of the nervous system to microwave radiation.

I also declare that I have been subjected to coercion and sustained persecution as a direct consequence of having submitted formal denunciations against NATO to the United Nations. The methods of torture and harassment to which my family and I are allegedly subjected replicate the symptoms reported in the so-called Havana Syndrome, including physical and psychological effects associated in reports with directed energy exposure.

In addition, I inform that I am currently being prosecuted by the Brazilian State as a result of presenting the aforementioned denunciations. Brazilian authorities have repeatedly dismissed my complaints, alleging that my reports are "fantastical and threatening," while my physical and psychological integrity continues to be systematically violated within Brazilian territory.

I further note that these denunciations were formally submitted to the United Nations; however, no response or protective action has been communicated to me, notwithstanding the gravity of the alleged human rights violations involved.

My reports also raise concerns indicating an ongoing genocide. In this context, I allege that the inertia, omission, and negligence of Brazilian authorities have contributed to and corroborated such barbarity, by failing to investigate, prevent, or provide effective remedies over a period exceeding half a decade.

Given the transnational nature of the alleged threats, I affirm that neither I nor my family would be safe in any country that is a member of, allied with, or institutionally aligned to NATO. Under these circumstances, I consider that the People's Republic of China represents one of the very few places in the world where my life, my physical and psychological integrity, and the fundamental rights of my family could be effectively safeguarded.

In light of the immediacy and severity of the risks involved, I

respectfully emphasize the urgent nature of this request. Any delay in granting protection may result in irreparable harm to my life and to the lives of my family members.

I respectfully request that this application, together with the attached documents, be examined with due consideration and urgency, in accordance with international humanitarian principles and the sovereign laws of the People's Republic of China. I remain at the disposal of the competent authorities to provide any further documentation, evidence, or clarification as may be required.

Thank you for your attention to this matter of utmost urgency. I kindly request confirmation of receipt of this application.

Yours faithfully,

Tiago Ventura Costa
